metal finishing Journal

This Journal is devoted to the science and technology of paint application, electrodeposition, vitreous enamelling, galvanizing, anodizing, metal spraying and all metal finishing processes.

The Official Organ of the
INSTITUTE OF VITREOUS ENAMELLERS

Head Office: JOHN ADAM HOUSE, 17-19, JOHN ADAM STREET, ADELPHI, LONDON, W.C.2.

Index to Volume I (new series)

JANUARY TO DECEMBER 1955

Subject Index

PAGE

dhesion of Vitreous Enamels by Torsion, The Assessment of 377
minium Additions to an Experimental Hot-Dip Galvanizing Bath on the Rate of Attack on Steel, The Effect of 276
minium and Its Alloys, The Electrolytic and Chemical Polishing and Brightening of 253, 319
minium, Electrodeposition of 82
minized Steel, Its Preparation, Properties and Uses, Hot-Dip 447
odic Treatment of Semi-Finished Products in Sintered Aluminium, Some Features of The 337

Barrel Finishing of Metal Components by the "Advanced" Barrel Process 199
Barrel-Plating Line at the Aylesbury Works of The Bifurcated and Tubular Rivet Co. Ltd., A Description of a New High-Productivity 425
B.I.F. A Short Survey of Some of the Items of Metal Finishing Interest on Show at Castle Bromwich 212
Books Reviewed:
Electroplating Engineering Handbook ... 371
Jahrbuch der Oberflachentechnik 1955 ... 137
Protective Coatings for Metals 371
Transactions of the Institute of Metal Finishing 542

Ceramic-Type Coatings on Aluminium Products by the Sanford Process, The Production of 132

PAGE

Chemical Polishing and Brightening of Aluminium and its Alloys, The Electrolytic and 253, 319
Chromium Plating, Recent Developments in ... 11
Colour Stability of "Fritted-in" Coloured Enamels, Some Experimental Findings on the 483
Copper Plating from Pyrophosphate Baths ... 343
Corrosion, German Conference on 60
Corrosion Resistance of Magnesium Alloys Improved by use of New Low Voltage Electrolytic Chromate Coating 250
Corrosion Studies have Influenced Light Metal Usage, How 324
Current Density Meter, A Brief Description of the G.K.N. 318

Deburring of Small Machined Components ... 123
Degreasing of Metal Components with Trichlorethylene—Some Notes on Solvent and Vapour Processes 349
Die Castings, Finishes for 23
Direct Application of Finish-Coat Vitreous Enamels to Sheet Steel 29
Dustblasting for High Quality Chromium Plate, U.S. Works Tries 480

Electroless Deposition of Nickel on Aluminium in an American Works, A Brief Note on the 528
Electrolytic and Chemical Polishing and Brightening of Aluminium and its Alloys, The 253, 319
Electrolytic Polishing in Industry, The Successful Application of 513

PAGE

Electroplating Vats, Temperature Control Systems for 383
Electrostatic Spray Painting, Some Details of Its Practical Application in Terms of Two Typical Workshop Installations 301
Enamel Coatings, The Use of Radioactive Isotope Tracer Technique in a Study of the Adhesion of 196
Enamellability, Hydrogen Permeability of Steel and its Relation to 517
Discussion 524
Enamelling Congress, International 251
Engineering and Marine Exhibition, Metal Finishing in Engineering—New Finishing Developments on show at The 390
Engineering Applications of Electrodeposits, The Properties and 193, 259
Epoxide Resins, The Uses and Applications of 97

Finishing Post 64, 110, 229, 298, 491, 527
Flow-Coating Paint Line in Operation at Douglas Aircraft Co., Continuous 388
Flow Production in Vitreous Enamelling as Exemplified in the Layout of a Modern Plant 357
Furnaces for Vitreous Enamelling, Electric ... 62

Galvanized Coatings, An Experiment on the Effect of Type of Steel and Aluminium Content of the Bath on the Weight of ... 71
Galvanizing Bath on the Rate of Attack on Steel, The Effect of Aluminium Additions to an Experimental Hot-Dip 276
Galvanizing Properties of Steel Sheets, The Influence of Surface Condition on the ... 5
Galvanizing, Some Notes on the Effect of the Presence of Iron Salts in Hot-Dip 347

Institute of Metal Finishing ... 15, 84, 89, 185, 219
Institute of Metal Finishing, A Plater at Torquay, A Short Account of The Annual Conference of the 269
Institute of Metal Finishing, The Annual Conference, 1955 220
Institute of Vitreous Enamellers, The 18, 83, 84, 167, 395
International Enamelling Congress, 1955—The Institute of Vitreous Enamellers—2nd 396, 465

Leaders:
Advantage Server 375
